PROFESSIONAL PROFILE

Detail-oriented Frontend Developer experienced in building responsive, user-friendly websites and web applications. Proficient in React, Next.js, TypeScript, JavaScript, HTML, CSS and Tailwind CSS, with a strong focus on translating designs into functional interfaces. Experienced in maintaining and improving existing projects, implementing responsive layouts, and creating clean user experiences across desktop, tablet and mobile devices.

WORK EXPERIENCE

Frontend Developer — Freelance

Remote, Nigeria | 02/06/2025 – 07/03/2026

- Collaborated with clients and individuals to build modern, responsive and user-friendly websites and web applications.
- Used React, Next.js and other frontend technologies to translate design concepts into functional interfaces.
- Developed responsive layouts that adapt effectively across desktop, tablet and mobile screen sizes.
- Maintained and enhanced existing projects through troubleshooting, iterative improvements and interface updates.
- Focused on clear navigation, usable interfaces and consistent visual presentation across projects.
